Office of the Legislative Counsel

Tuesday - 4 August 1959

Ellen Collier, Legislative Reference Service, Library of Congress, telephoned requesting copies of the Director's speeches on the Soviet Union in the past year. Miss Collier said they have numerous requests come in from the constituents of Senators and Representatives and they would like to be able to fill these requests. Miss Collier is located in the Foreign Affairs Division in the Main Library of Congress. In the future she would like to have the Library of Congress put on distribution for the Director's speeches. This is being done.
